

Getting to Know Your Child

Name: America

Date of Birth: August 23, 1994

Age: 16

Hobbies: America loves to swim, go to the movies, read interesting books, draw, paint houses inside and out, roller skate and skateboard!

Favorite colors: Blue, turquoise, purple, orange, pink, and black.

Favorite foods: Chilaquiles and fruit.

Favorite subject in school: Math, trigonometry, geometry and chemistry.

America desires to become a dentist.

America came to El Sauzal with her mother and younger brother when she was about 3. Her mother Isela worked as a Nanny in the nursery, and then was the orphanage cook for years. In January 2009 America's mother was tragically killed in an automobile accident. Because the Orphanage has been America's home for much of her life she has chosen to live at EL Sauzal until she finishes college.

She says about the orphanage: "I like this place because of all of all of the children and I feel they are my family. Also they worry about me here and make me feel like I am an important person."

Prayer requests: Please pray for America for continued healing from her mom's death and the separation from her brothers David, Natan and Jacob.
