

# Getting to Know Your Child

**Name:** Fabiola

**Date of Birth:** April 21, 2008

**Age:** 2 years

**Favorite toy:** Fabiola loves to play with dolls in the nursery. She enjoys interacting with all the other babies. She also loves music.

**Special Story:** Recently a group visited El Sauzal to spend time with the children. They put on a special drama, and danced to music. Fabiola loved it; she was clapping. The group also asked the children to raise their hands if they wanted to accept Jesus as their Lord and Savior. Fabiola raised her hand, also.

We don't know much about Fabiola's short past. We do know the police took her from her home because she was being abused. Please pray for this little one that she would grow and thrive at the El Sauzal home.
