building a
stronger
home

urgent fundraising event

In the last several years, there have been three well-publicized cases of shocking neglect at childcare facilities in Mexico. In response, the Mexican government has dramatically changed the health and safety regulations for orphanages. We need to make major facility upgrades. It will take an additional **\$50,000** to implement the changes. Will you help us build a stronger home for our children?

El Sauzal Orphanage
has been helping hurting
children for 49 years

This is God's home.
He has always provided
for our children

Through our friends,
God has already
supplied **\$90,000** for
the construction

We are rebuilding the
nursery, replacing the
ceilings, floors, wiring and
much more

The construction is
scheduled to be finished
by the end of August
